

Econo-Zip Reclosable Zip Bags

Easy-to-close single-track zipper with an easy to open lip make these multi-purpose poly bags durable as well as reusable for unit doses and prescribed medications. Contents are easily identified. No side seal allows for maximum width use and offset lip permits easy separation. Bags have ridges on inside lip to make gripping easier. Bags are FDA approved and latex free. All styles available in a variety of sizes to meet any packaging need.
